PLEASE PRINT OR TYPE ALL INFORMATION

Dear Relative,

I am very interested in gathering our family history and would be most appreciative if you would kindly fill in as many of the blanks below as possible. Do not worry about research - **just send me what you know.** I do not expect every blank to be filled in, but each item filled in will be of great value and help to me. I have some information on the family and would be glad to exchange with you if you should desire it. The **addresses** of your **married children, brothers and sisters**, and **others** of your living relatives which you might have would also be of great value to me. Thank you for your interest and help.

Sincerely,
