Winning the state title in the varsity division were Steve Volk, and Steve Gray, juniors. Louis Kolssak and Marc Tiritilli, sophomores, won the state title in the junior varsity division. Silver trays were presented to Mary Hendrickson and Bob Modlin, juniors, as third place varsity team and to Jessica Hung and Dave Thomanek, sophomores, as third place junior varsity team.

Dr. Shirley used this occasion to announce the planned construction of a second debate trophy case to display the continuing harvest of prizes. As Mr. Tantillo said afterwards, "We are humble but deserving."

Remember When . . .

Dr. Shirley rode in the tricycle races during Homecoming.

Pat Hurley brought the school together in laughter.

everyone was thoroughly bored at the Time/Life assembly.

the fans gathered in the middle of the football field after the Homecoming football victory.

the temperature dropped, including the wind chill factor setting an all-time record of -85 degrees, and we finally got a "snow" day.

Jim Kim set a league record for scoring 2 soccer goals in 39 seconds.

Paul Rodgers ran in the senior runathon, despite being in a cast and on crutches.

Bill Malicki won "queen" honors at the Homecoming pep assembly.

everyone did the hand jive and the hokey-pokey at Turnabout.

the girls bathroom smelled like hairspray all during punk day.

Jill Robinson almost fell off the stage when singing at the Winter Assembly.

"Take off, you Hoser, eh?" became a favorite expression.

Jay Menzel split his pants trying to ride his donkey.

Linda Kummerow got plowed over by Reggie Edwards, as he broke through the basketball spirit hoop.

Lund's Lunatics (including Ernie Cervantes, above) got so spirited they were not welcome at all area high schools.

Remember When . . .

... everyone (including Chris Cardamon, above) was chewing gum because it was on sale for Fresh-N-Up Week.

... people dressed as punk rockers and danced the "Time Warp" in the foyer.

... Peer counselors started helping students who needed someone to talk to.

... Little Bo-Peep, a sheik, and a jar of jelly beans attended school on Halloween.

... everyone went to restaurants and gas stations to obtain material to go "TP-ing".

Mr. Philip dressed up as an executioner for Halloween.

World Affairs

Polish Issue

All basic civil liberties defined in the Polish constitution were suspended as martial law was instituted by General Wojciech Jaruzelski, the communist party leader, on Dec. 13, 1981.

Laurel Przybyslawski, '82: "I am Polish, so I guess I fell for them because they're of my ancestry. I wear a Solidarity button and pray. I hope it works out all right. They shouldn't have to be comics."

Sue Miloch, '84: "My family and I have very strong feelings against martial law in Poland and give our support to Solidarity and the people in Poland. My ancestors originated from Poland and my sister always wears the Solidarity button showing her support."

Death of Sadat

The western world was shocked at the assassination of Egypt's president, Anwar Sadat, on Oct. 6, 1981. His death jeopardized the future of the Camp David peace accords as well as the role of the U.S. in the Middle East.

Quinn McSorley, '82: "You hate to see a champion of peace such as Sadat shot down in cold blood like that."

Khaled Farah, '82: "I was surprised although as a Jordanian I was expecting something to happen long ago. Maybe a lot of Arabian people wanted him to be put away because of his treaty with Israel, but I thought nobody wanted him to be assassinated."

Bob Modlin, '82: "In terms of middle east peace, I believe Sadat's death may have more impact in our lifetime than the Iranian crisis or the Soviet invasion of Afghanistan."

Royal Wedding

Fairy tale weddings come but once in a lifetime; recently there was an opportunity to see such a phenomenon. On July 29, 1981, Prince Charles of Wales married Lady Diana Spencer with all of British pomp and circumstance. Teri Goroshnik, '83: "I felt that it was a very historic thing to watch that didn't have anything to do with wars or politics."

Sheri Steiner, '82: "I was happy to see something as peaceful and good as marriage publicized as much as the bad things in life—wars and crime. It brought feelings of good will to nations world wide."

Banning Guns

Both the sale and possession of handguns were banned by ordinance in the nearby village of Morton Grove last summer. After legal tests in the Cook County Circuit Court and the U.S. District Court, the ban went into effect Feb. 1. Many local communities, including Buffalo Grove, Arlington Heights and Wheeling, have been considering following Morton Grove's example. The issue is controversial locally as well as nationally.

Audrey Proksa, '82: "I don't think the gun ban is a good idea because it takes away the power of the individual, and who's to say the burglar won't be from another city."

Steve Gray, '82: "I agree with a gun ban because there is no reason to have a handgun other than to kill. Also, a lot of innocent children are killed in accidents."

Reaganomics

President Reagan's goal of balancing the budget has brought about many changes in government policies. His economic procedures have been nicknamed "Reaganomics" and have already had far reaching effects. Many students are painfully aware of the changes.

Michelle Bott, '83: "There are no raises at work and I have to worry about whether or not my family can afford to send me to college."

Lisa Gerhold, '82: "I visited a college and found out that they won't fill my total need. Now I can only get a student loan for \$300.00 instead of \$2500.00."

Lisa Fleischer, '82: "I found out that I have to enroll in college as a full time student by May 1, or my social security payments will be cut off, so I'm taking early graduation now (end of Feb.)."

Colophon

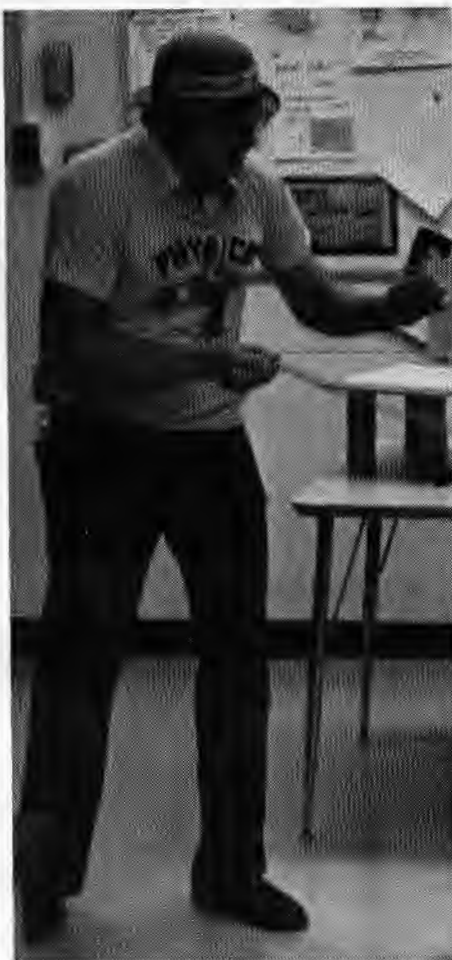

Josten's American Yearbook Company of Topeka, Kansas 66601, printed the 1850 copies of Volume 18 of the LAJR, the yearbook of Wheeling High School. A staff of 22 compiled the 220-page book on 84 lb. embossed enamel paper. Cover specifications included stiff American embossed lids in Basin Street Blue #517 and applied white with #1172 cord-vertical graining and a silk-screened design. Body type was 10 point News Gothic; captions and index were 8 point News Gothic. Headlines were 36 point Optima for the Opening and Closing, 36 point News Gothic Bold Italic for Special Events, Format 5449 for Sports and Spirit, 48 point Avant Garde for Curriculars, Co-curriculars, Extra-curriculars, 24 point News Gothic Bold for the album section except for faculty where 24 point Avant Garde was chosen. Process color was used for all of the first signature except for the final page as well as for the senior portrait portions of the ninth and tenth signatures.

Student photographers did most of the shooting. J.J. Schmitt Studio handled the processing and shot all of the portraits and some of the color candid. We are indebted to Howard Schlossberg of the *Countryside Reminder News* for his help with spring sports photography and also to our constant friend, Miss Mary Healy, who assisted with everything, as well as to all the other yearbook staffs whose ideas we adopted. Our representatives from Josten's American were Mr. Dennis Eder, salesman, and Mr. Mike Barnes, in-plant consultant.

PROOF POSITIVE that Debate is great, Dr. William O'Brian and Mr. Don Tantillo, the team's coach, hold up just "some" of the debate trophies won this year.

TO CATCH A THERMOS of water thrown by a fellow Madrigal, Darrin Singleton, senior Silvia Veit and junior Theresa Kleinschmidt decide that a joint effort is the best way.

... the **roof of the school** was resurfaced and black powder covered everything.

... the Wildcat varsity **football team** shut out Elk Grove 8-0 in the rain.

... a **consumer education requirement** was changed from one semester of Sociology to a full year of Sociology. ... seniors Kevin Terry, Kurt Stoudt, Paul Schintgen, Jim Ignoffo, and Mike Hubers dressed up as the **Go-Go's** on Hollywood Day.

... **Kraig Riebock** junior, wore a mini-skirt and make-up to school for Outrageous Day.

... **Devastation**, a senior team, won the Homecoming Powder Puff competition for the second year in a row.

... **Chris Moeller**, senior,

was a joint for Halloween.

... petitions were passed around the school urging Mr. Earl Phillips to organize one last performance of **Earl's Girls**.

... **Physics Woman** chased senior Jim Ignoffo through the bleachers during the Earl's Girls performance.

... members of the **Nasty Habits Car Club** got into numerous accidents within a short period of time.

... Student Council sponsored a **Boo Bash** after the Halloween football game against Rolling Meadows for students from both schools.

... Senior **Mike Rottjakob**, varsity soccer goalie, came out from the box to play at forward and scored a goal.

... the girls varsity **tennis team** won their first two meets, only.

... the senior class built its **Homecoming float** at Kolsak's of Wheeling Funeral Home.

... soccer cheerleaders and statisticians were caught "tee-pee-ing" senior Alfons Herold's house before the Homecoming soccer game.

HAZARDOUS TO YOUR HEALTH. Paula Blomquist, junior, and Felicia Dollas, senior, attend an early morning smoking clinic.

SMURFETTE. Laurie Nisbet, junior, transforms herself into a living, breathing, blue Smurf for Halloween.

PREPARING THE POM-PONS to use during a cheer, Ruth Cokenower, junior, gets ready to spur the basketball team on to victory.

In Memoriam

In fond memory of Patrick Edward Coleman, a ten-year veteran member of the custodial staff. Mr. Coleman suffered a fatal heart attack on March 20. He started working at Wheeling on Feb. 14, 1973. In 1974 he transferred to the STEP program and returned to Wheeling in December of 1979 as a utility maintenance man.

"We will remember Pat Coleman as a very happy congenial member of the staff," said Dr. Shirley, principal. "His soft spoken, mild mannered way of working with others left much for us to remember him by. Pat always had time to enjoy the world. He took time to smell the flowers."

In The News

During the previous summer America's first female astronaut went into space aboard the re-usable space shuttle Challenger. This remarkable woman, Sally Ride, broke fresh and well deserved ground. The media's response to her was "comparable to the level of interest in Neil Armstrong's flight to the moon. The public just couldn't get enough of her."

Sally was just one of the most exciting events in space this year. Another was the space walk. This epic universal event was the first step in independent space travel. It involved a jet-pack like something out of "Buck Rogers". It allowed for the astronauts to move about outside the shuttle without a leash.

Outside of the disastrous loss of two extremely sophisticated communications satellites, valued in excess of \$150 million each, the space walk was a step in the right direction, up and out.

In The News

Many stars and known favorites passed away throughout the 1983-84 school year. The well known Michael Conrad, the actor who played the desk sergeant in *Hill Street Blues*, died of cancer. He was known for telling the police officers, "Remember, let's be careful out there." Another well remembered singer and actress, Ethel Merman, died of natural causes. David Niven was a very talented actor who died of heart disease.

All the famous people didn't die of natural causes or diseases. News broadcaster Jessica Savage died in a car accident as she drove off the road on a foggy night. Famous singer, Karen Carpenter, died from anorexia nervosa. More than 300 members of the armed forces died while on duty throughout the world. Marines were trying to keep peace in Grenada, Lebanon and El Salvadore. All in all we will not forget those who have been in our hearts through T.V., the movies, and in the news.

In The News

The war in El Salvador resulted in the shooting of a Navy Officer on May 27, 1983. He was the first U.S. military man to be slain there. Previously, eight U.S. civilians, including four Roman Catholic churchwomen, had been also killed in El Salvador.

On October 25, 1983, nearly 2,000 U.S. Marines and Army paratroopers invaded Marxist-ruled Grenada, a tiny Caribbean island. Eight Americans were killed and three others wounded.

In the same month, the conflict in Lebanon caused more than 200 marines to be killed during a terrorist bombing of the marine headquarters in Beirut.

In The News

Amid much controversy, on November 20, 1983, ABC aired a movie entitled *The Day After*. This movie depicted what the effects a nuclear bomb dropped on Kansas City would have on Lawrence, Kansas. Opposition to the movie tried to prevent it from being aired; they thought it would unfairly sway the public, and people would react emotionally to the nuclear question instead of intellectually.

In Wheeling numerous students stayed home Sunday night and watched *The Day After*. The reaction was varied. Below is a sample of opinions of what students thought of the movie.

"I think they beefed it up too much. I expected it to be more terrible than it was." — Jeff Thomas, senior.

"I think it's good because then people will realize how bad nuclear weapons are." — Irene Reichmuth, freshman.

"It was disturbing and pretty scary, but I liked it because it showed people an idea of what could happen in a nuclear war." — Steve Pilkington, junior.

"It was pretty scary, I hope it helped to prevent it from happening ever." — Laura Goldberg, junior.

"As an idea (message) it was good, but as a movie it was bad." — Lisa Marsicek, senior.

"It wasn't as scary as I thought. It wasn't as threatening as it was made out to be." — Nicole Pattee, sophomore.

"The movie was truthful, but didn't show enough." — Steve Duberstein, junior.

"Since almost everyone knows the effects of a nuclear holocaust, I thought the movie's main objective was to inspire world leaders to prevent this destruction." — Shari Necheles, senior.

Most students expressed a concern over nuclear war, but either didn't know what could be done to prevent it or thought it was hopeless.

The 1984 Winter Olympics brought us both excitement and tears of joy.

Through the efforts of Californian Bill Johnson, the U.S. won a gold medal in the men's downhill skiing for the first time ever. Debbie Armstrong won the gold medal in the women's giant slalom, and Christine Cooper won the silver medal, only a fraction of a second behind Armstrong. The Mahre brothers won the men's giant slalom. Phil Mahre's time beat his brother Steve's, capturing the gold and silver medals for the U.S.

In skating, Scott Hamilton, favored to win the gold medal in men's figure skating, proved he was worthy of others' belief in him. Rosalynn Sumners won the silver medal in women's figure skating, and Kitty and Peter Carruthers outdid their own hopes in winning the silver medal in pairs skating.

Remember When

The week after Christmas every one wore the new wave flannel look . . . Pat Hurley mocked girls' slumber parties in an all school assembly . . . There was a false fire alarm and all students and staff had to stand outside in a January snow storm . . . Dr. Shirley sat on Santa's (Mr. John Smith's) knee and asked to keep on being principal of Wheeling H.S. And in February, the new Superintendent, Dr. D. Louis Christensen, granted the wish . . . It seemed that almost half the junior class contracted mono . . . Darrel Talken won the gold fish swallowing contest with a new record of 69 gold fish swallowed. And then he ate lunch.

In The News . . .

On September 6, 1983, Korean Airline flight 007, a commercial jet with business and tourist passengers, was shot out the sky by a missile-firing Soviet interceptor. Two hundred sixty-nine lives were lost, sixty-one of which were American.

The South Korean jet liner was enroute from Anchorage, Alaska, to Seoul, South Korea, when it veered off course, entering the Soviet Union's airspace. The Soviets tracked the intruder for two and a half hours. Then, with approval from the ground, the Soviet pilot took aim and fired. In a fiery flash the unarmed South Korean jetliner fell from the sky.

Remember When

... Reagan signed a bill to create a legal holiday celebrating the birthday of Dr. Martin Luther King, Jr. ... Wheeling High School students tried cross country skiing for the first time in gym classes ... **Ken Pierini** broke the 500yd. free style for the sophomores ... The newspaper drive trailer tipped over due to the weight of newspapers and aluminum collected ... **Kristine Sunde** was performing at the Christmas concert for New Dawns and her belt and shoe flew off ... Seniors **Brian Terry, Todd Romazko, Yvette Martinez, Laura Renda, Pat Brierton, Frank Pollard, Terry Faith** and **Paul Mies** all fit into a Datsun 280z and then ran out of gas and had to push the car on Dundee Road.

OLYMPIC WINNERS

Of all the athletes who participated in Atlanta's summer Olympic games, two Americans will be remembered most for their hard work, dedication, and determination. Athletes Kerri Strug and Michael Johnson set new records, changing history forever. Johnson won gold medals after winning the 200 and 400 meter races. Strug vaulted herself and her teammates to the glory of the gold.

MUSIC REVIEW

Over the past year, two music groups / artists stand above the rest. Hootie & the Blowfish sold more than 13 million albums, and Celine Dion released the runaway hit, "Falling Into You."

IN THE NEWS

The front-page news this year included literally thousands of stories, some triumphant, others heart-breaking. Two stand apart from the rest. Hong Kong switched from British rule to Chinese rule this year. The crash of TWA Flight 800, which crashed mysteriously over the Atlantic Ocean just off the coast of Long Island, New York, will always be embedded in the hearts of Americans.

HITTING THE CHARTS

The Macarena hit the charts - from Latin to Pop - and enlivened dance floors all over the world. The song was first released three years ago and it became a big hit in Spain. Then someone had the bright idea to market the song internationally. Numerous Macarena versions have added variations to the basic moves of the dance, which requires a 360-degree turn to be completed in four jumps to the right.

Bill Clinton

Hillary Clinton

President Bill Clinton was the first Democratic president in 60 years to be elected to a second term. A centrist New Democrat, he transformed his once beleaguered party. Under his presidency, the United States enjoyed the lowest rate of inflation since the early 1960s, and he was the first president in 17 years to submit a balanced budget to Congress.

First Lady Hillary Rodham Clinton turned 50 on October 26, 1997. She was the most famous of the female Baby Boomers. During her husband's first term as President, Hillary Clinton took a leading role in health-care reform. Now, after nearly two years in the wings, she was quietly returning to center stage to begin a program on child care.

The Florida Marlins became major league baseball's world champions in 1997, beating the Cleveland Indians in the World Series. Just five years old, the Marlins tied the Indians in the ninth inning of the seventh game and went on to win it all in the eleventh inning with a score of 3-2.

In one of the most competitive games in Super Bowl history, John Elway and Terrell Davis led the Denver Broncos to a 31-24 upset of the Green Bay Packers in Super Bowl XXXII. The Broncos' first National Football League championship ended the American conference's 13-year losing streak in the Super Bowl.

The WNBA -- Women's National Basketball Association -- completed its inaugural season with the Houston Comets defeating the New York Liberty for the championship. And as the season came to a close, the WNBA announced that the eight-team league would grow to 10 teams in 1998. If it all works out, the Comets will jump to the Western Conference with Los Angeles, Phoenix, Sacramento and Utah. The new teams, Detroit and Washington, D.C., will join the East with Charlotte, Cleveland and New York.

Princess Diana

Prince Charles, Prince Henry, Prince William & Earl Spencer

Britain and the world bid farewell to Diana, Princess of Wales, on a sparkling September morning with a grand tribute rich in pageantry. Since her death in a car crash in Paris a week before, the country had witnessed an astonishing outpouring of grief that forced a repentant monarchy to join in the kind of full celebration of Diana's life that the millions of people who flooded into London demanded. Her sons, William, 15, and Harry, 12, stood in attendance, joined by their father, Prince Charles and her brother, Earl Spencer, as the body was taken into Westminster Abbey. Millions packed the city for the funeral of Diana. It was a crowd unmatched since the end of World War II. More than a million bouquets by official count were stacked outside the royal palaces.

The first component of the Mir space station was launched in 1986. And except for two brief gaps, the space station has been manned continuously ever since. It has made more than 60,000 trips around Earth. In 1994 the U.S. and Russia agreed to conduct joint missions aboard the station. A docking module was attached to Mir, allowing American space shuttles to link up with the Russian station. The main Mir module -- which provides living quarters for up to six people -- has been orbiting for nearly 12 years, which is seven years longer than planned. These joint U.S.-Russian missions are the first phase of a program to build an International Space Station. This station is scheduled to be in orbit by the year 2002.

The roving vehicle Sojourner, the first mobile explorer to land on another planet, landed on Mars in 1997 and gathered soil and rocks. Overcoming communications trouble and other setbacks, the Sojourner left the Mars Pathfinder landing craft. The robotic rover's six metal wheels rolled slowly down a ramp and came to a stop on the surface. The Sojourner, which was about the size of a microwave oven, began crawling around the surface of Mars, transmitting a flood of information to scientists back on Earth.

Mother Teresa was among the most well-known and highly respected women in the world in the later half of the twentieth century. In 1948 she founded a religious order of Roman Catholic nuns in Calcutta, India, called the Missionaries of Charity. Through this order, she dedicated her life to helping the poor, the sick and the dying around the world, particularly those in India. Her selfless work with the needy brought her much acclaim and many awards, including the Nobel Peace Prize in 1979. She died at the age of 87 on September 5, 1997 of heart failure at her convent in Calcutta.

Round One Results

4:25 Lane d. Tantillo-- Mr. Lane challenged Tantillo to an arm wrestling match. Lane began to lose AGAIN, when he ripped off Tantillo's arm. The dean then proceeded to beat Tantillo to death with the very same arm that had been torn from his body.

6:24 Toll d. Henley-- Henley busted out his circular saw to get the upper hand, but Toll called his White Siberian Tiger down, and just stood over Henley as he was mauled by the giant cat.

3:25 Porzycki d. Menich-- Mr. Menich tried to talk his way out of the match by asking Porzycki to tell about his feelings, but as Porzycki went to shake his hand he grabbed Menich, cuffed him, and beat him to death with his nightstick.

6:12 Kupon d. Cimo-- As this match was moved to the Chestnut ski resort, Kupon and Cimo decided to go for a friendly run before the fight. While on the ski lift, Cimo dared Kupon to lick the lift chair. Kupon got offended and shoved Cimo off the lift.

1:30 Van Lady d. Schneider-- Enraged at the sight of Mrs. Schneider wearing an "I Love Amrov" T-shirt, the Van Lady took the easy way out, revved her engine, and ran Schneider over.

10:37 Anderson d. Litch-- Mr. Lichtenberger beat Ms. Anderson, but when he went to drink out of her water bottle to spite her, he found it wasn't water, but rather hydrochloric Acid. It burned his insides out, and Anderson went on to the next round.

4:56 Hague d. Pardun-- Hague challenged Pardun to a swim race, but secretly planted sharks in the pool. Hague pushed Pardun in and watched him get torn limb from limb.

8:12 Garcia d. Cima-- Garcia showed Cima the difference between the quick and the dead as he put Cima into a "body bag" with his quick thinking and hand-to-hand combat, which he learned in the Korean War.

Round One Results Cont.

12:47 Krause(Mamma) d. Van Der Ark -- A lethal beating was given to Mrs. Van Der Ark by Mama with a walkie talkie late in the round. Van Der Ark had tried to distract her by asking for the subject of the sentence "Clean up your garbage," but did not succeed.

7:09 Kent d. Hart-- Mrs. Kent tried to get Ms. Hart to sign a contract for having cut class too many times, but Hart spiked a volleyball back at her. Kent responded by using the same idea as Mama, and used her own walkie talkie to beat Hart to a pulp.

8:31 Mondy d. Stanislaw--Mondy used witty jokes to get Mr. Stanislaw laughing. Slaw was about to pull out his tennis racket when Mondy power slammed him into a tank of snapping turtles. The oceanography class then studied the effects of English teachers on the digestive systems of turtles.

16:34 Gruen d. S. Tantillo--The longest match of the first round proved that Lair is stronger than Spokesman. Mrs. Gruen defeated Mrs. Tantillo by beating her from head to cowboy boots with a 1973 WHS yearbook.

9:29 Lewellyn d. North--North seemed to have the upper hand until "Captain Wheeling" came out of the crowd to aide Mr. Lewellyn. With the aid of some soccer balls and an old BG football helmet, Lewellyn and Captain Wheeling defeated North.

1:02 Watters d. Braude--The fastest match of the day. Watters planted a CPR dummy in one corner of the ring, while Braude attempted to resuscitate it. Watters snuck up behind with an extra dummy and pummeled her to death.

7:47 Corrigan d. Watson--The student council sponsor showdown proved to be quite an event. Corrigan splattered Watson with leftover paint from the homecoming window painting contest and set him ablaze. All Watson could do was try to stop, drop and roll, with no results. Corrigan won.

6:32 Benedetto d. N. Moore-- Mrs. Moore showed up as an SNL cheerleader, ready to go out and fight. Unfortunately, Benedetto wasted no time as he gave her a serious beat down with a bat received from co-baseball coach Lazarrato.

Round Two Results

9:46 Toll d. Lane— As Dean Lane walked down the aisle, Mr. Toll surprisingly cast a fishing lure in Lane's direction. He hooked and reeled him into the ring. Once in the ring, he was tied up with Toll's fighting line and Toll continued to beat Lane with the yellow S.A.V.E. garbage cans until his body remained motionless.

2:40 Porzycki d. Kupon— The match was about to begin when, much to the crowd's dismay, Kupon was disqualified for having a total of 103 weapons concealed on his body. Porzycki was ready to bring out his handcuffs and nightstick, again, but when Kupon's assortment of ski poles, explosives, and ginsu knives were discovered the match came to a quick end.

10:29 Anderson d. Van Lady— Ms. Anderson had the match just about won, and began to show off for the crowd. Ms. Blythe scurried off to her van in an attempt to run over the unaware trainer. Expecting that the van would be used in the fight, Anderson had already planted a bomb. As the Van Lady opened the door, the bomb went off and Anderson was declared the winner.

3:16 Garcia d. Hague— Still back in the Korean War, Mr. Garcia pulled out two hand grenades, and was ready for combat. "What's the haps?" asked Mr. Hague. "Hit the deck!" replied Garcia, as the grenades hit Hague's pickup truck, blowing the cap sky high. Hague was crushed as the cap came down, and Garcia was declared the winner.

6:22 Kent d. Mama— Both security guards were ready, yet reluctant to fight. The old time friends each tried to outsmart the other. They yelled "Fight in the 'car' feteria!" into their walkie talkies at the same time. Knowing the importance of stopping a fight, both progressed toward the lunch room, but the flow of students from the bell pushed both outside, and neither were heard from again.

8:06 Mondy d. Gruen— Mrs. Gruen attempted to impale Mr. Mondy with a cropping tool, but it was to no avail. Mondy used Gruen's own weapon, the yearbook, against her. He shredded the pages, and began to thrash at her, giving her numerous paper cuts. He then poured salt into the wounds, and Gruen was left helpless.

8:14 Watters d. Lewellyn— Mr. Watters utilized his "male genitalia" poster to wrap up Mr. Lewellyn. Lewellyn tried to wiggle free, but the sign held. Watters then took off Lewellyn's soccer shoes and put them on his own feet. He then kicked Lewellyn to death.

2:56 Corrigan d. Benedetto— Mr. Benedetto charged at Miss Corrigan with a baseball bat, but Corrigan was just too quick. As Benedetto surged toward her, she held up an Apple computer from the cal-lab and stopped Benedetto in his tracks. She then quickly turned, grabbed another one, and slammed it down on Benedetto's head for the easy victory.

Round Three Results

14:20 Toll d. Porzycki— Before the match even started, Toll demanded that "Dream On" by Aerosmith be played the entire match as he got on the mike and proclaimed, "That dork could only beat me in his dreams. He has the IQ of room temperature and I guarantee a win." Seeing this, Porzycki comes out with Toll's old yellow bird hallway pass and breaks it over his knee. An enraged Toll charges the aisle and this epic battle was underway. Neither man could seem to grasp the upper hand until Toll lambasted Officer Mike with his new Dilbert hall pass and knocked him unconscious. Toll refused to let him off that easily for destroying the bird. He took the cuffs out of his pockets and hand cuffed him to the ring ropes. Toll ripped the police badge off his uniform, took aim, and hit Porzycki right between the eyes. Toll's promised victory came true.

7:12 Garcia d. Anderson— Garcia just didn't seem to have it this match and Anderson dominated for the most part. Anderson seemed to be worried about the crowd's reaction the whole tournament. She loved to put on a show for them to enjoy, and it hadn't made a difference in the earlier rounds. But this wasn't just any man she was dealing with. As she turned to pose for the crowd, an adrenaline

rush came over Garcia. A second wind and an arrogant attitude gave Garcia enough time and energy to pull out four spark-timers from underneath the ring. Once set up, Anderson was turned around, kicked in the stomach and was given an "Amado Garcia Stunner." The crowd erupted and he didn't hesitate to strap her to all four machines and fry her.

0:00 Mondy wins via bye. With both the security guards still looking for a fight, no match took place as no one was there to face him. Mondy received a free ride to the semifinals.

7:22 Watters d. Corrigan— Ready and armed for the match, Corrigan grabbed her box of computer disks. She played with Watters' mind as she reminded him that he had no weapons with him at all. With a look of confidence upon his face, Watters dared Corrigan to throw them. Obliging his offer, the disks she pulled out of the box, were actually Chinese Stars. Laughing was all you heard from Watters as he began twirling his thumbs to create a "Laminated" force field. Unaware of what exactly it was, she continued to throw disks. The force field caused a ricochet and the stars flew back at Corrigan decapitating her.

Semi-Final Results

13:46 Toll d. Garcia-- With one win away from the finals, both men came to the ring ready to battle. Although Toll had been somewhat cocky going into his previous matches, he knew that this was no time to over look his opponent. Rowdy and ready for a fight, Toll charged the unexpected Garcia as he walked out to the ring. The majority of the match wasn't even fought in the ring. Toll took this match to the extreme as he brought weapons and just punched Garcia. Attempting to mount an offense on many occasions, Garcia just didn't have it early in the match. After being thrashed with a frying pan, an old nintendo, and a cookie sheet, Garcia was bleeding profusely. The turning point came for Garcia when Toll set up a table and laid Garcia across it. Toll climbed the top rope and leaped to finish off Garcia and put him through the table. Garcia got up and Toll crushed the table with his own body putting a load of hurt on himself. Garcia seeing this, went for his spark-timer finisher, but couldn't hook Toll up. "You're gonna be a bodybag!" Garcia shouted at Toll as he called for his Amado Garcia Stunner, which failed as he missed the kick. Toll grabbed Gunther and his hanging Santa Clause from Mrs. Braude in the crowd and smashed Garcia in the head with them both at the same time, rendering Garcia unconscious. Toll finished the job by suffocating Garcia with his infamous condom hat declaring himself the winner and the first qualifier for the finals.

The stage was set,
Watters vs. Toll
for the crown of the first
Faculty Deathmatch Champion.

12:12 Watters d. Mondy-- Mondy being well rested had the early advantage coming into the match. After defeating Corrigan in a tough match, Watters looked to be a little tired, but the match started off slow. Neither man went for anything big or even any weapons. As the match progressed things drastically changed. Mondy knew the only one of-fense that Watters naturally had, was the infamous "Laminated" force field. Mondy caught a thrown punch and broke both of Watters thumbs, weakening his opponent even more. Watters, being a former gymnastics coach, knew how to overcome adversity. Mondy continued to lay on the offense by stamping Watters repeatedly with his dolphin ink stamp. Thinking he had Watters finished, Mondy went for the nail in the coffin with his laptop. He was planning to beat him over the head with it. Watters would have none of that as he shocked the crowd by smashing Mondy in the face with the drug display case busting Mondy's skull open, covering him with a crimson mask. Watters was victorious as the drugs that broke with the shot to Mondy's face seeped into his opponents bloodstream causing an overdose.

The End of an Era

Seven teachers have announced their retirement and are calling it quits after many years of teaching. "I have been teaching for 31 years and my favorite part about teaching is the kids in the classroom," said Dennis Toll. "I had many jobs before Wheeling, but this place was the best," said Amado Garcia. It takes a lot of patience and energy to teach. These teachers worked hard and had very successful careers. Wheeling was very fortunate to have their guidance and expertise for so many years.

Dream Date

Dan Dunbar & Margaret Jankuc

"I'd spend my dream date in a park, talking, going for a walk, and doing that whole picnic thing in the grass. We'd see a movie, preferably drive-in, and afterwards, go to the restaurant of her choice. When dinner was finished, we'd go back to my house and fall asleep in each other's arms, in front of the fire."

Dan Dunbar '00

"My dream date would be in Hawaii on a private beach. We'd lay in the sun and talk, while sipping on tropical drinks. We'd have a candle-light dinner watching the sunset, and it'd end with a stroll down the beach."

Margaret Jankuc '00

Final Farewell

Dr. Patricia Baudendistel

From kissing frogs to changing schedules, Dr. Patricia Baudendistel's legacy forever changed our school environment. Her presence in the halls and at extra-curricular events was noticed and appreciated by both the students and the faculty. Her endless school spirit and pride for the school will be greatly missed in her retirement.

Most School Spirit M

Perla Tapia & BJ Lindstrom

"I've done everything to show my school spirit including making unusual faces to show my personality!"

Perla Tapia '00

"The craziest thing I've done to show my spirit is when I offered Coach Doyle to be the team enforcer and vowed to take out every other team's superstar - only to have my name up on the board in the gym."

BJ Lindstrom '00

Best Artist

David Tuber & Cindy Pacyk

"I got interested in art when I was 4. I watched cartoons immensely. One day I drew a really good crayon drawing of a monkey in preschool and from that day forward, I've never wanted to be anything but a cartoonist."

David Tuber '00

"I've been interested in art ever since grade school. Art has always been a release for me. I can put all my emotions into my art. It has always been a fun past time."

competitive MEMBERS play video games in school

When students learn how to play video games, they can learn a lot about teamwork and strategy. The competitive members of the school's video game club are a great example of this. They have won many tournaments and have a lot of fun playing together. The club is open to all students who are interested in video games. They meet every week to play and talk about their favorite games. The club is a great way for students to learn and have fun at the same time.

rival SCHOOLS compete together

It was hard enough winning a rivalry game for a school, but now it's even harder to win a rivalry game for a school that's been around for over 100 years. The rivalry between the two schools is as old as the hills, and it's still going strong. The rivalry is so strong that it's even been the subject of a book. The book is called "The Rivalry" and it's by a famous author. The book is a great read for anyone who loves a good rivalry story.
