There are now two positions open on the board Vice-President and Curator. President Klocke asked for suggestions from the members present on filling these two positions. A discussion took place as to why the Historical Society needed a Curator. Perhaps an article could be placed in the newspapers informing the residents of the village of our need for trees, and asking them if perhaps they might have an artifical tree that they are no longer using.

New Business:

Phase II of Museum - Al Fantl

Mr. Fantl stated that 95% of Phase I has been completed. The archives are btill being worked on. He is obtaining information for the archives on Wheeling and this is an on-going thing. Mr. Fantl stated that one of the big projects right now is to have an exhibit using the old fire truck. The exhibit will be in the center of the room with figures dressed in fireman's uniforms of the period, putting out a fire. This will be an educational process. Upkeep of this type of exhibit will be minimal. There will be exhibits on both sides as you walk into the museum. Mr. Fantl stated that we need volunteers to come in and help develop the archives which is an ungoing thing which will require a lot of man-hours. He stated we need a lot of people to do research and recording of information so that if anyone walks into the museum a year from now and wants to obtain information on any individual or event we will be able to furnish him with the necessary information, from our card files. In this way we will have a museum which everyone can be proud of, because we all took part in developing it. We even have people from outside of Wheeling that want to get involved in helping out. 25% of the people who walk into the museum are not from Wheeling. With enough effort, Mr. Fantl hopes to draw enough people to the museum so that the museum can be open 3 or 4 days per week with approximately 75 people coming in a day. The fire exhibit and the archives are the two big things Mr. Fantl is working on at present. He then discussed the possibility of putting out a book on Wheeling and the Northwest area because of the involvement of people outside of Wheeling. He has had contact with people as far away as Wisconsin and Minnesota. He would like to take the information from the archives and put it into this book on Wheeling and the neighboring communities. He stated that we will need some 60 to 80 people in the next 1½ years in order to publish a book. He stated that without the help of the Historical Society he would not even be able to get started. The book will cover a population area of about a half million people. He feels that we would need to publish approximately 5,000 books. Rolling Meadows published such a book which was quite successful and they have furnished us with an organizational pattern. The book will reach a wide audience. Dolly Hein asked if they will be for sale. Mr. Fantl stated that he wanted to get all the surrounding school systems and organizations involved and wants to contact businesses for donations and have a small history of the businesses in the book. He hopes the money collected from the businesses would offset the cost of publication. He would like to see the books on the library shelf and as part of the regular curriculum at the schools, and to also sell them in book stores. He would like to sell the books at the cost of publishing them. Mr. Buerger made a motion to give Mr. Fantl our approval to publish the book. Motion seconded by Nelda Paisley. Motion passed by voice vote. Mr. Dave Phillips, Superintendent of the Wheeling Park District stated the $3,500.00, which has been earmarked for this project will be paid out of the Museum Tax fund.

Vice President Glasson then introduced Dave Phillips and Al Fantl to the new members. Mr. Fantl stated that we would like to help out other museums and get information we can use from them. Mr. Schnaitmann questioned Mr. Fantl about extended hours of the museum. Mr. Fantl stated that he hopes to have the museum open any day that there is a function or event going on at Chamber Park, so that more people can have the opportunity to visit the museum, rather than just on Sundays.

Dorothy Fentge suggested that an Open and Closed sing be placed on the door of the museum so that the people will know if the museum is open.

Irene Dattilo asked that if anyone has not paid their dues yet they are now due.

Vice President Glasson discussed historical landmarks and how fast buildings are torn down. He further discussed historical site placques.

Shirley Mueller suggested that someone contact the Village about putting up a plaque at the site of the original Village Hall. Motion was made by Shirley Mueller and seconded by Nelda Paisley. Motion passed by voice vote.

Irene Dattilo suggested that we change the dues date to 9-1-83 this year and September 1 thereafter, however Shirley Mueller stated that in order for this to be done it would have to be changed in the Bi Laws.

Vice President Glasson and Alberta Klocke informed the new members of the Various projects we are involved in or have completed.

Mr. Buerger made the suggestion to hold the next meeting at Childerly so that the members who have not yet seen the chapel can have the opportunity to do so. The Vice President told the new members when the Historical Society meets.

The new members were then told of some of the events the Historical Society is involved in.

Nelda Paisley motioned to adjourn at 9:20 P.M.. Motion was seconded by Shirley Mueller and passed by voice vote.

TREASURER'S REPORT - Dolly Hein

Dolly Hein submitted the attached Treasurer's Report dated March 28, 1984. Dolly further stated that interest from the Society savings account is $360.83 which brings the present balance in the savings account to $6,387.05. Lonnie Schnaitmann asked if the Museum Tax is suppose to be in a separate account of which we should be drawing interest. After lengthy discussion, it was explained that we do not have any control over the Museum Tax. We are not a taxing body and therefore can not collect this money. This money is collected by the Park District who administers it. If there are things the museum needs, they are brought before the Board of Park Commissioners who vote on how the money should be spent. Sam Dattilo brought up a question concern ing some $8,000.00 which the Historical Society donated to the Wheeling Park District in 1979. Sam stated that the Park District never received this $8,000.00 and wondered if the money in our savings account is ours or the Park District. After a long discussion the question arouse if we can see the Park District's budget. It was explained their budget is a matter of public record. It was also requested that the treasurer provide the membership with a report at our next meeting showing how much money we have allocated for various projects. Dolly Hein stated she will provide the membership with a report. Lonnie Schnaitmann motioned to accept the treasurer's report. Motion seconded by Nelda Paisley. Motion passed by voice vote.

OLD BUSINESS:

Laison Board Meeting - Frank Schnaitmann

Frank Schnaitmann informed the membership that at the meeting with the Park District Board of Park Commissioners we requested the purchase of a copy machine. The Board stated that they would have to go out for bids to purchase the copy machine. They went out for bids and purchased a copy machine which is better than the one we asked for and was more expensive. The copy machine is now being used by the museum and did not cost the Historical Society one cent, and the copy machine belongs to the museum.

Nominating Committee - Don Paisley

Don Paisley stated that the nominating committee met and made up the following slate: Frank Schnaitmann - President; Barbara McIntyre - Secretary and Sam Dattilo - Director. Don Paisley read a letter of resignation from Frank Schnaitmann as chairman of the nominating committee which was written prior to his acceptance to be a candidate for President. Don stated that further nominations will be accepted from the floor at our April meeting. Frank Schnaitmann stated that he hopes that many of the members will run for office. Our next meeting is April 25, 1984.

Don Paisley made a motion to spend up to $30.00 for a file box. Nelda Paisley seconded the motion. Motion passed.

NEW BUSINESS: Vice President Glasson asked about the Budget Committee and the budget. Secretary Schnaitmann stated that there has been no budget committee meeting. The budget committee consists of President Ed. Klocke, Treasurer Dolly Hein and Secretary Frank Schnaitmann. The secretary explained that the President has to call a meeting of the budget committee to prepare the budget and to date a meeting has not been called.

Lonnie Schnaitmann made a motion to donate $50.00 for the Fourth of July fire works. Seconded by Al Feinberg. Motion passed. All in favor except Don Paisley.

Vice President Glasson asked if we want to have a float in the Fourth of July parade again this year. Discussion ensued. It was suggested that Al Fantl be the chairman, however Al suggested that someone else be chairman and he would be glad to help. He stated that the parts used in last years float could be used again. Al stated that we can used many of the parts again and come up with a different float. The Vice-President asked Al Fantl to make up a sketch of the float and approximate cost and to bring this information to our next meeting.

Dolly Hein mentioned that in the January minutes it showed that the $468.00 made on Lollipop Lane was ear marked for next years Lollipop Lane. She suggested that this money which is presently in the checking account should be put into the savings account so that it can draw interest until it is needed. Bob Buerger made a motion to take this money out of the checking account and put it into the savings account. Motion seconded by Marshall Balling. Motion carried by voice vote. Sam Dattilo suggested that whenever there is a large balance in the checking account some of the money should be transferred by the treasurer to the savings account to draw interest. Lonnie Schnaitmann made a motion to keep $500.00 average balance in the checking account and put the remainder of the money in the savings account. Motion seconded by Irene Dattilo. Motion passed by voice vote.

Al Fantl discussed the activities at the museum and how the activities are getting more people interested. Al stated that there will be an exhibit from the museum at the Indian Trails Library as the library is celebrating its 25th anniversary.

He stated that on April 2nd and 3rd he will need people from the Historical Society to go to Wheeling High School for an affair called Parks Unlimited from 10:00 A.M. to 1:00 P.M. where he will have some artifacts set up to try to interest the younger people about the Historical Society and the Museum. He is trying to get more people involved. Al stated that Bob and Barb McIntyre have written an article for the paper.

Vice President Glasson asked if there were any other comments. Secretary Schnaitmann reminded the membership that the next meeting is the election meeting. The positions which were up are President, Secretary and Director. A discussion ensued about having an installation banquet. After considerable discussion, Vice President Glasson suggested that we hold off a decision until the next meeting as to whether we should have an installation banquet or not. He stated that if the membership wants an installation banquet, at the next meeting a committee will be formed to handle the affair.

Lonnie Schnaitmann made a motion to adjourn. Motion seconded by Bob Buerger. Motion passed by voice vote. Meeting adjourned at 9:35 P.M.

Vice President Greg Glasson lead the membership in the Pledge of Allegiance.

Secretary Frank Schnaitmann passed out the Minutes of the March 28, 1984 meeting. Lonnie Schnaitmann made a motion to accept the minutes as published. Motion seconded by Bernard Nathan. Motion passed by voice vote.

TREASURER'S REPORT - DOLLY HEIN

Dolly Hein stated that she has a check for $50.00 as a donation to the Fire Works for Wheeling and will send it out as soon as she can meet with President Klocke so he can co-sign it. She stated that the total disbursements is $526.25. She further stated that there are two NSF checks which have been redeposited for $20.25. She had the bank reverse the charges of $15.00 on these two NSF checks and there was a $5.00 donation, for a redeposit of $40.25. The difference between the checkbook balance and disbursements is $472.89. She reminded the membership that at the March 28, 1984 meeting she was asked by the membership to give a run down on some expenses allocated to Childerly, the museum and so forth. She stated that she noted in the minutes that she is to keep $500.00 balance in the checking account book but that she the current balance is close to that, if it is alright with the membership she will leave it at $472.89 at present. The savings account balance with the $468.00 is $6,865.09. As for the expenses of Child rly, the Museum etc., she does not know exactly how much was allocated for these as they were before her time. She stated that she had been promised past minutes prior to her time, however she has never received them. She stated that she believes that around $3,000.00 was allocated to Childerly. She checked the journal and checkbook and that expenses to date for Childerly is $3,401.04. Our share of the 1979 Beer and Brat was $94.58 which was allocated to Childerly along with a $5.00 donation and therefore the total expenses for Childerly to date is $3,201.42. Our share of the Beer & Brat for 1980 was $1,071.57 which was allocated to the museum. Museum expenses to date has been $2,734.14 less the $1,071.57 for an actual expense of $1,662.57. She was not aware of any other money being allocated after checking the checkbook and journal. She stated that she would have to go back four or five years in the minutes to see if there were any other allocations and she does not have the minutes. Sam Dattilo stated that he has all the minutes and that at present we owe the Wheeling Park District $2,463.59. Secretary Schnaitmann made the comment that he was on the Park Board during this period and could not recall this donation. He suggested that we have Dave Phillips of the Park District make a comment. Dave stated that he could not recall the donation and suggested that Sam Dattilo, Dolly Hein and Al Fantl get together and check their records but that he did not feel that the Historical Society owes the Park District anything. Dolly suggested that she make copies of Sam Dattilos minutes and compare them to the information we have. Shirley Mueller stated that the Historical Society did not donate $8,000.00 to the Wheeling Park District but actually allocated $3,000.00 to Childerly and $5,000.00 to the museum. Dolly Hein stated that the money that has not been spent is currently in a lump sum in the savings account.

Dolly Hein stated that since we have been unable to have a Budget meeting due to President Klocke's work schedule she has prepared a 1984-1985 budget which she feels is sufficient. The Budget is attached. She stated that she has not put in figures for the Fourth of July as she does not know how much money we want to spend on the float and the few other things that usually come up. She then explained how she came up with these figures. Motion was made by Clare Rudolph and seconded by Charles Rudolph to accept the treasurer's report and to accept the budget as submitted. Motion was

passed by voice vote.

Correspondence Secretary Nelda Paisley read a letter from the Village of Wheeling, Julie Woods concerning Up With Wheeling Days. Dolly Hein read a letter from Mr. & Mrs. Kolman concerning Lollipop Lane along with a photo.

OLD BUSINESS: Election of New Officers

Greg Glasson stated that the slate of candidates for President - Frank Schnaitmann, Secretary - Barb McIntyre, Director - Sam Dattilo. He asked if there were any other nominations from the floor. There were no other nominations and therefore Don Lark made a motion to accept the full slate. Motion seconded by Randy Klocke. Motion passed by voice vote.

Installation Banquet - Lonnie Schnaitmann, Irene Dattilo and Barb McIntyre.

Lonnie Schnaitmann stated that Chevy Chase was contacted to see if we could have our installation banquet there if the membership decided they wanted one. Randy Klocke made a motion to have an installation banquet. Motion seconded by Sharon Klocke and passed by voice vote. Lonnie stated that the dinner will be held at 7:00 P.M. with a cocktail hour starting at 6:30 P.M. The dinner will be held on Wednesday, May 23, 1984. Dinner will be ribs and chicken and salad bar. Letters will be sent to members and she stated that she hopes everyone will attend and to please send in their response to Irene Dattilo by May 15, 1984 so that they can notify Roger at Chevy Chase.

Fourth of July Float - Al Fantl

Al stated that they will probably need less than $100.00 for the float as they will be reusing materials from last years float. Lonnie Schnaitmann made a motion to give $100.00 for the float. Motion seconded by Bob McIntyre. Motion passed by voice vote.

TOURS - Al Fantl

Al stated that he will made recommendations for tours. Clare Rudolph felt that 1 tour at a time is sufficient. Arrangements would also have to be made for transportation.

NEW BUSINESS

Vice President Glasson introduced Dave Phillips, Superintendent of the Wheeling Park District. Dave discussed capital needs assessments and Horizon Park. He further discussed the Historical Tax. He showed the membership a plan for ball diamonds etc. which is planned for Horizon Park. He stated that the Park District is presently levying between $50,000.00 to $55,000.00 per year in Historical Tax. He ststed that they have about $5,500.00 from 1984 which is still unappropriated that will not be appropriated until work program is completed. He reconfirmed the comment that the Historical Tax is collected by the Park District and could and would be collected even if the Historical Society did not exist. He stated that he hoped we'd invite him to come back at a later date to discuss their complete work program.

LOLLIPOP LANE

Discussion insued as to how long we should conduct Lollipop Lane. Dates of December 8, 1984 to December 22, 1984; December 15, 1984 to December 22, 1984; December 8, 1984

to December 23, 1984 and December 15, 1984 to December 23, 1984 were suggested. After considerable discussion a vote was taken and membership voted by hand vote to hold Lollipop Lane from December 15, 1984 to December 22, 1984. Vice President Glasson stated that he will notify John Muno of the Wheeling Park District of the approved dates for Lollipop Lane.

Shirley Mueller requested $300.00 for reproduction work at the museum. Discussion insued. Dorothy Flentge made a motion to appropriate $300.00 for reproduction. Seconded by Don Paisley. All members were in favor except Sam Dattilo. Secretary Schnaitmann asked Al Fantl if he is getting permission from the people who are loaning the materials to reproduce them, so that there will be no liability on our part. Al stated that he has permission. Dolly Hein stated that this money will be coming out of the museum money and therefore she will be paying for the reproductions as they are done.

Shirley Mueller asked if anything has been done about the revised copy of the By Laws. By Laws have not been given to the membership.

Al Fantl stated that Wheeling High School will be the location of Parks Unlimited from 10:00 Am to 1:00 P.M. on May 1, 1984 and May 2, 1984 and he would like to have a few people to man the tables. He requested volunteers. Four people volunteered.

The May 23, 1984 meeting of the Wheeling Historical Society was held at the Chevy Chase Country Club, following the annual installation banquet. 38 persons were present. In the absence of Pres. Ed. Klocke and Vice Pres. Greg Glasson, Secretary Frank Schnaitmann presided and lead the membership in the pledge of allegiance.

The minutes of the April 25 meeting were distributed and were accepted on the motion of Bob Buerger which was seconded by Sam Dattilo.

Dolly Hein had no treasurer's report as there were no financial transactions the preceding month.

Secretary Schnaitmann made a motion, which was seconded, to dispense with further business until after the installation of new officers.

Bob Buerger, as a past president, was the installing officer who introduced the new officers: president, Frank Schnaitmann, secretary, Barbara McIntyre and director for a two year term, Sam Dattilo. The installing officer charged them with the responsibility of their duties.

Following the installation, Frank Schnaitmann again presided, this time as president.

There was no old business to be discussed.

Under new business, Sam Dattilo suggested that money allocated to the museum be used to put in air conditioning and storm windows. Shirley Mueller said this was a capital expense which should be borne by the Park District. She also asked about the existence of the liaison board. Frank Schnaitmann, as chairman of the liaison board, reported that it was still functioning despite erroneous newspaper reports. He also said that a major expense such as central air conditioning would have to be handled by the Board of Park Commissioners after bids were submitted. Shirley Mueller

then asked that a liaison meeting be called for a discussion of air conditioning and storm windows for the museum. A suggestion was also made that climate control as well as temperature control be considered.

Bob McIntyre put Shirley's suggestion into the form of a motion which was seconded by Al Fantl and received a unanimous vote of approval.

The second item of business was a suggestion by Bob McIntyre that the Society consider sponsoring an Old Settler's Picnic on the 4th of July, following the parade. He emphasized that the idea originated with Marshall Balling and that he should be considered chairman of the event. After brief discussion, the motion was made by Bob to sponsor the picnic in Chamber Park at noon on the 4th of July with $100 appropriated for the expense of beverages, desert and miscellaneous items was passed. It was amended to make Marshall Balling chairman with Bob McIntyre assisting and Lonnie Schnaitmann, Barb Mc Intyre, Emma Nathan and any others desiring to help to serve on the committee.

Lonnie Schnaitmann, banquet chairman, thanked Roger Christensen, clubhouse director, for his cooperation in providing us with a beautiful buffet at minimum cost. She also thanked her committee and named the donors of door prizes: Kotz Shoe Store, Heins Pub, Grannie Annie's, Two Doves, Art's Ribs and Irene Dattilo. The First National Bank of Wheeling donated favors and the Wheeling Township Democratic Organization provided the raffle tickets.

Lonnie then announced that a $25 merchandise certificate was being given to Ed Klocke, outgoing president, in gratitude for his service to the organization.

Marshall Balling followed with a brief talk on the history of Wheeling, comparing it to the city of Florence, Italy, which was also a commercially, rather than culturally, acclimated town. Wheeling's commercial aspect has been largely based on the restaurant row of Milwaukee Avenue over the years.
The raffle followed the adjournment of the meeting.

The October 24th meeting of the Wheeling Historical Society convened at 8:20 p.m.

Following the pledge of allegiance to the flag, Pres. Frank Schnaitmann introduced the guests: Wilhelmina Franta, Palmer Keil and the former Village Clerk, Evelyn Diens and her husband, Wally, visiting from Mountain Home, Ark.

Members present were: Frank and Lonnie Schnaitmann, Al and Lenore Feinberg, Al Fantl, Don Paisley, Sandy Altieri, Greg Glasson, Clara and Charles Rudolph, Robert H. Buerger, Sam and Irene Dattilo, Ed and Shirley Mueller, Barbara Rasmussen, Elsie Hiller, Bob and Barb McIntyre, Dolly Hein and Marshall Balling.

Minutes of the Sept. 26th meeting were approved. Members present appeared to like the idea of receiving them by mail in advance of the meeting.

Dolly Hein reported little activity in the treasury since the Sept. report with a balance of $352.20 in the checking account. The Sept. 26th treasurer's report, received by mail with the previous minutes, was approved on the motion of Lonnie Schnaitmann.

Al Fantl was introduced as "Supt. of Historical Services" and presented his report on Betty Barrie's improving health. He explained the MBO or Management By Objective process of identifying and prioritizing the goals of the Park District, particularly in relation to the 56 goals of the Society and Museum which are to be partially financed by federal funds, foundations and bequests. Supt. Phillips has offered a presentation of just the latter section to our membership. Al Fantl is the pro-tem chairman of the newly formed Northwest Historical Council. He announced the acquisition of an old switchboard for the museum which will be accompanied by an animated switchboard operator, requiring 10 sq. ft. of space for the exhibit.
Under oral correspondence, the president announced that Greg Glasson had obtained an old addressograph machine for the museum.

Greg Glasson reported on the Bill Knapp Restaurant chain's program

for obtaining a desired objective. We must first identify our objective, i.e. gavel, slide projector, screen, outside speaker or P.A. system. Bob Buerger was asked to investigate prices of public address systems with the help of Sam Dattilo. After telling the Bill Knapp organization about our objective, they will, in turn, let us know how many points (by food purchase) we will need to get in a year's time.

Charlie and Claire Rudolph were thanked for their donation of a 30 cup coffee maker and the membership demonstrated their gratitude.

A report on Lollipop Lane by Lonnie Schnaitmann came under the old business heading. Mrs. Claus will be enacted by Willie Franta, Dolly Hein, Mila Lange and others who may volunteer. Coloring books are to be obtained by Al Fantl. Shirley Mueller expressed the opinion that gift and trinket giving was far afield from the original gift of a lollipop to each child. Al Fantl suggested that children create coloring books.

Irene Dattilo, cookie chairman, said cookies would remain at ~~$3~~ 2.25 per plate. To unload cook books, Shirley Mueller made a motion to reduce the price to $3.50 and try to recoup the original investment of $1700. The membership voted in favor of the motion.

Bob Buerger reported on the carriage house project. He had hoped Jack Thompson would be with us in person, but assured the group that Mr. Thompson would provide a letter of intent regarding his proposed donation of carriage house and carriages to the Historical Society. The land is being sold on contract with the provision that anything can be removed from the land by the present owner. The Park District will have the final word about feasibility.

Park District Historical trips were announced: Nov. 11 to Arlington Heights Historical Museum and Barrington Historical Museum on Dec. 9.

Membership approval was needed and was received to put $400 in the checking account for Lollipop Lane purchasing and $150 advance for the Wassail Bowl party Dec. 15.

The meeting adjourned at 9:35 and was followed by a program of 20 slides of Old Chicago made from scenes painted by Richard Richards and George Yellich. They were made possible by a grant to the Chicago Neighborhood History project by the Northern Trust Company which commissioned the original watercolors for use on greeting cards. The slides, captions and additional background material are a gift from the Neighborhood History Project to the Wheeling Historical Society by way of Robert McIntyre.

Irene Dattilo and Shirley Mueller provided refreshments following the meeting and program.

The Corresponding Secretary read a letter from the Park District management asking for our participation in erecting a plaque on the old church as a part of the 25th Anniversary celebration of the Park District on July 27th. Also a request for participation in the Fourth of July parade.

Sandy Altieri gave the Curator's report: The Marshall Balling art exhibit opened April 20 and will remain on display at the Museum until the end of May. She expressed a need for members to host the Museum on Sundays, as well as Childerley chapel beginning May 25.

The Nominationg Committee presented its slate of officers for the coming year: Frank Schnaitmann, President; Barbara Forke, Vice-president; Bob McIntyre, Recording Secretary; Sam Dattilo, Director; and Tony Altieri, Curator. As there were no nominations from the floor, Bob Buerger moved that the slate be elected as presented. The motion was seconded by Dolly Hein and was passed without dissent.

Bob Buerger, Chairman of the Carriage House Committee, reported on a meeting with the architect who is preparing a plan for a historical village square.

Lonnie Schnaitmann reported on plans for the installation banquet and raffle, to be held at Chevy Chase on May 28. Membership agreed on a price of $7.00 per ticket to cover all costs.

Irene Dattilo, Membership Chairman, asked that membership dues be paid by May 1. Dues not received by Sept. 1 will terminate membership.

The subject of postage costs was raised by Dolly Hein, who was asked to look into a cheaper method of mailing.

Dorothy Flentge asked for membership input on a date for the Old Settlers Picnic. The Fourth of July seemed most popular.

Barbara Forke reported on the Fourth of July Committee's fund raisers. Still coming are the Scotch Doubles bowling on May 24 and ice cream social on June 1. Sam Dattilo's antique car will represent the Society in the July Fourth parade.

Sandy reported on the Society's participation in the Historical Fair to be held June 15 at Northeastern University. Our exhibit will portray Restaurant Row in Wheeling.

Memorial plaques were discussed, and a committee of Barb Forke and Ed Main was asked to investigate costs.

Barb McIntyre reported on a project to erect directional signs to the Museum. The next step is to apply for a warrant from the Department of Transportation because the signs would be on Wolf Rd, which belongs to the state. Sam Dattilo suggested a portable sign to indicate that the museum is open. Sam, Bob Buerger, Marshall Balling and Jan Broda volunteered to make the sign.

The meeting adjourned on the motion of Bob Buerger at 9:05 p.m. Refreshments were served by Claire Rudolph and the Forkes.

Respectfully submitted,

Barbara McIntyre, Secretary

Wheeling Historical Society

Meeting of May 28, 1986

The Society's annual Installation Banquet was held at Chevy Chase Country Club. President Frank Schnaitmann called the meeting to order at 7:30 p.m. and led the pledge of allegiance. Fifty members and friends of the Society were present.

The minutes of the meeting of April 23, previously distributed by mail, were approved.

Curator Anthony Altieri reported on activities at the Museum which has attracted a new high attendance rate of from 100 to 150 visitors per month. He thanked the members who have presented special exhibitions: Adeline Schneider for the Schneider Family exhibit; Betty Barrie for her Telephone Exhibit; Margaret and Barbara Forke for the Forke Family exhibit and Marshall Balling for his display of paintings and drawings of Wheeling area subjects.

An Honorary Membership in the Society was presented to Donald Paisley, who is retiring to Arizona, in recognition of his years of service and especially for his dedicated performance as Santa at Lollipop Lane. President Schnaitmann also presented Certificates of Appreciation to those who contributed to the special exhibitions and to the outgoing officers.

Past President Robert Buerger officiated at the Installation of Officers: Frank Schnaitmann, President; Barbara Forke, Vice President; Robert McIntyre, Secretary; Tony Altieri, Curator; and Sam Datillo, Director.

Dorothy Flentge reported that plans are under way for the annual Old Settlers' Picnic, to be held July 4.

The meeting was adjourned shortly before 8 p.m., when Wheeling High School's New Dawns singing group presented a lively program of old and new numbers. The performance was a special one for them--with many seniors graduating, it was the last show they would put on together. The evening concluded with a raffle, with prizes donated by members and Wheeling businesspeople.

Meeting of Sept. 24, 1986

President Frank Schnaitmann called to order the first meeting of the fall season at 8:10 p.m. and led the pledge of allegiance. Twenty members were present: Marshall Balling, Betty Barrie, Bob and Eleanor Buerger, Sam and Irene Dattilo, Al and Lenore Feinberg, Dorothy Flentge, Lorraine Haben, Dolly Hein, Matt Irmiter, Ed Main, Barb and Bob McIntyre, Bernie and Emma Nathan, Barbara Rasumssen, and Frank and Lonnie Schnaitmann.

Betty Barrie, Corresponding Secretary, read letters from Louella and Joseph Behm, Irene Dattilo, Frances Geho, and Lorraine Haben, who had pointed out to the editor of the Daily Herald that an article on historical societies of the area had failed to mention our organization.

Dollie Hein, Treasurer, presented her report, which was approved on a motion by Lonnie Schnaitmann, seconded by Sam Dattilo. It indicated:

Checking Account,	Balance 04-25-86	847.07
	Deposits	907.00
	Disbursements	721.89
	Balance 09-24-86	1,032.89
Savings Account,	Balance 09-24-86	5,621.38
Carriage Account,	Balance 09-24-86	2,033.33

The minutes of the May 28 installation banquet-meeting, published in the September Newsletter, were approved.

Sandy Altieri gave a brief review of the Curator's report, which was in the Newsletter, and enlisted additional members who will serve at the Museum on Sundays over the coming months.

Several items were brought to the attention of the members under "verbal communications." Barb McIntyre pointed out that the Reeb house and feed mill and the Ed Moeller (Player Piano) house have been demolished recently, and more buildings are scheduled to fall under the village's Tax Increment Financing plan for modernization of the Milwaukee Ave. corridor. She suggested that the Society as a whole become more active, with a view to saving buildings of historical interest and preserving appropriate artifacts from others. She made a motion to that effect, seconded by Bob Buerger while specifying that the Curator serve as chairman of the activity. It was passed, and Marshall Balling agreed to accept the President's appointment as co-chairman.

Dorothy Flentge, Chairman, reported on the Old Settlers' Picnic, which went well with a pot-luck lunch and entertainment by the Pavilion singing group. She suggested that attendance might be improved by going back to the Fourth of July as the date, and observed that the main interest of those who come is really in talking among themselves and sharing reminiscences with their friends. Bob Buerger, Carriage Committee Chairman, repor-

ted that there was nothing new on that project, and pointed out that the huge bill for architect's services was not all the fault of the Society, as some commissioners had been saying.

Bob McIntyre, Liaison Committee Representative, had a good news-bad news report on the Museum and Aquarium Tax matter. The good news was that the Chief of the Attorney General's Opinions Section had stated that to be eligible for financing from this tax a building must fit the generally accepted, dictionary definition of a museum. This seemed to uphold the position the Society has taken. The bad news was that the Wheeling Park Board had passed Resolution 86-6?, in which they declare that St. Joan's house and the Community Church are museums, regardless of the fact that they are used for day school classes, aerobics exercises, and other activities not related to the functions of a museum as "an institution devoted to the procurement, care, and display of objects of lasting interest or value." (Webster's Third International Dictionary.)

The Secretary of the Society was authorized to request advice from the States Attorney as to how we can ensure that the museum tax funds are used exclusively for museum-related purposes. This action was taken on a motion by Lonnie Schnaitmann, seconded by Barbara Rasmussen, after considerable discussion. It was passed unanimously except for one abstention, by Emma Nathan.

Irene Dattilo, Membership Chairman, reported that membership was down by seven at the end of the fiscal year. There usually are a few drop-outs when dues are due, and then membership picks up during the active season. There are now 75 members enrolled.

Lonnie Schnaitmann, Lollipop Lane Chairman, reported that the dates for this year will be December 13-21, with weekday hours 6:30-8:30 p.m. and weekends 2-5 p.m. The church will be decorated the evenings of December 10-12, starting at 6:30. The event will begin with Santa's visit to Villa Addolorata, followed by the sleigh ride to the Community Church. Irene Dattilo volunteered to make phone arrangements for the cookie sale and Eleanor Buerger agreed to supervise it. Plans for the annual Wassail Bowl celebration have not been completed.

President Schnaitmann announced that the Board of Directors had recommended that the meeting time be changed from 8 p.m. to 7:30, to permit finishing earlier. There was discussion as to whether the By-Laws were involved, and it was determined that only the meeting day (last Wednesday of the month) was specified there. On a motion by Ed Main, seconded by Bob Buerger, the membership voted to make the change. It was pointed out that the usual meeting in November would fall on Thanksgiving eve, and the membership agreed to shift that meeting to the third Wednesday, November 19.

The meeting was adjourned at 9:43 p.m. on a motion by Bob Buerger, seconded by Sam Dattilo, and was followed by refreshments provided by Lonnie Schnaitmann.

Respectfully submitted,

Wheeling Historical Society

Meeting of October 22, 1986

President Frank Schnaitmann called the meeting to order at 7:45 p.m. and led the pledge of allegiance. Sixteen members were present: Sandy Altieri, Marshall Balling, Betty Barrie, Adrienne Broda, Jan Broda, Eleanor Buerger, Robert H. Buerger, Sam Dattilo, Dorothy Flentge, Willie Franta, Elsie Hiller, Matt Irmiter, Barbara McIntyre, Robert L. McIntyre, Frank Schnaitmann and Lonnie Schnaitmann.

The minutes of the September 24 meeting, published in the October Newsletter, were approved on a motion by Bob Buerger, seconded by Matt Irmiter.

Sandy Altieri presented the Curator's report. The Wheeling Station exhibit, which opened the previous Sunday, was well attended, especially by people who had lived there as children and enjoyed exchanging memories.

The Schultz house at 116 N. Milwaukee Ave., recently purchased by the Village as a part of the Crossroads development, is to be torn down. After inspecting it, Tony Altieri reported that no artifacts of historic value remained there and recommended that the building be photographed before demolition.

President Schnaitmann expanded on the Curator's report to advise members that a desk and rotating dresser and other Society artifacts that had been stored in the Chevy Chase basement were buried under dust and debris during the recent asbestos removal program. He indicated that since this was pointed out, John Piazza and his crew had cleaned up the area and covered items like the large photo murals of the Union Hotel. A display case which the Curator had been unable to locate for the Wheeling Station exhibit had turned up at St. Joan's House, containing an exhibit set up without the Society's knowledge.

The Secretary reported that a letter to Richard M. Daley, Cook County States Attorney, requesting advice on how to prevent the use of Museum Tax funds for non-museum buildings, had been sent on September 29. It was authorized by the membership at the September 24 meeting. He summarized its content and reported that no response had as yet been received.

President Schnaitmann reported that a Resolution to dissolve the Affiliation Agreement between our Society and the Park District was moved by Donald Lark and seconded by Edward Klocke at the October 2 meeting of the Wheeling Park District Board of Commissioners. He and the Secretary of the Society were present and asked that the Resolution be tabled, to permit discussion at a meeting of the Liaison Committee scheduled for the following Tuesday. A motion to table was made by James Gallagher, seconded by Julia Robberson and passed over the nay votes of Commissioners Lark and Klocke.

Secretary McIntyre reported that the disaffiliation matter was discussed at the Liaison Committee meeting on October 7. Those present were Committee members Sam Dattilo and McIntyre for the Society and Tony Abruscato and Julia Robberson for the Park Board. No reconciliation was reached, and Mr. Abruscato indicated that the Board intended to proceed with disaffiliation.

President Schnaitmann reported that he had called an emergency meeting of the Society's Board of Directors on October 6 for guidance in handling this situation. In addition to the President, those attending were Vice President Barbara Forke, Treasurer Dolly Hein, Corresponding Secretary Betty Barrie, Secretary McIntyre, and Directors Robert Buerger and Sam Dattilo. After discussion the Board voted to recommend that the Society engage an attorney to represent it, with this expenditure to be limited to $2,000 with the understanding that the situation should be reviewed if this limit were reached. He said that a search for an attorney was begun, with the guidance of the Northwest Suburban Bar Association, and that Lawrence H. Rochell, Attorney at Law with offices at 4 S. Milwaukee Ave. in Wheeling, had agreed to represent the Society.

On a motion by Barbara McIntyre, seconded by Eleanor Buerger, the Society voted to engage Mr. Rochell under the terms recommended by the Board of Directors. The vote was unanimous except for a nay by Marshall Balling, who felt that the possibility of reconciliation should be explored more fully before preparing for legal action.

The President announced that a meeting with Attorney Rochell would be held at 7 p.m. on Wednesday, October 29. All members were encouraged to attend to learn more of the Society's legal status and to ask any questions they might have. The place of the meeting was yet to be determined, and members would be notified of it by phone in the next few days.

The meeting adjourned at 9 p.m. on a motion by Bob Buerger, seconded by San Dattilo, and was followed by refreshments provided by Irene Dattilo, Dorothy Flentge and Willia Franta.

Special Meeting, October 29

A special meeting of the Society was held at Indian Trails Public Library on Wednesday, October 29. The meeting was called to order by President Schnaitmann at 7 p.m. with 24 present.

Mr. Rochell reviewed the Affiliation Agreement between the Society and the Park District, and described it as an excellent working document that describes the responsibilities of both parties and provides a mechanism for settling disputes through the Liaison Board. He pointed out that the Agreement contains no termination clause, which means it continues in perpetuity unless revised by agreement of both parties.

He responded to questions by many of the members present and recommended that an attempt be made to reconcile our differences. With that end in mind, he indicated that he would get in touch with Earl Ebers, attorney for the Park Board, and explore the possibility of reconciliation with him. The meeting was adjourned at 8:15 p.m. while informal discussion among members continued.

Respectfully submitted,

Robert L. McIntyre, Secretary

Under Verbal Communications, President Schnaitmann reported that he had offered the cooperation of the Society in providing Santa and Mrs. Santa for the Park District's Breakfast with Santa, but that it had already been set up as a staff function.

Lorraine Haben suggested that the Society watch the Arlington Country Club clubhouse, which will soon be demolished as the subdivision continues to grow. Marshall Balling pointed out that the cement blocks used to build the clubhouse are of some historical significance, since they were patented as the first of their kind, and suggested that one be saved. It was agreed that the committee on threatened buildings, authorized at the October meeting, should investigate. Tony Altieri, Curator, is Chairman of the committee and Marshall Balling is Co-chairman.

Lorraine also reported that the pathway from the Childerley parking lot to the chapel has been completed and trees in the orchard have been trimmed, improving access and the appearance of the area.

Lonnie Schnaitmann, Lollipop Lane Chairman, reported on plans for that activity which will begin officially when Santa and Mrs. Santa join residents of Villa Addolorata for lunch on Saturday, Dec. 13. They will procede by sleigh (on Sam Dattilo's flat-bed trailer) to greet the children at the church in Chamber Park. Yet the work starts at 6:30 p.m. Dec. 10, when volunteers are needed to start setting up the Christmas trees and decorations.

The Society voted an expenditure of $200 for gifts for the Villa residents, on a motion by Lorraine Haben, seconded by Eleanor Buerger. In response to a question, Lonnie explained that cash gifts of $2 each have replaced food and candy (for dietary restrictions) and other things. She reported that they are received with enthusiasm, and are used to participate in the Bingo games at the Villa.

The annual Wassail Bowl party is scheduled for the evening of December 13, and on behalf of Adrienne Broda, who could not be present, Lonnie asked for an appropriation of $100.00 to finance it. It was authorized on a motion by Bob Buerger, seconded by Barbara Rasmussen.

Lonnie also moved that the Society contribute $25.00 to the Wheeling Chamber of Commerce, which has been helpful to the Society in previous years. It is raising funds for new equipment required in its move to new quarters. The motion was seconded by San Dattilo and was passed after discussion.

Lonnie reported that a contract had been signed reserving Chevy Chase for the Society's Installation Banquet, to be held May 27. It provides for ribs and chicken, at a cost to the Society of $5.95 per person, and tickets are to be $7 to cover tips and other expenses.

Sandy Altieri reported on Museum news for the Curator, most of which appears in the Newsletter. She pointed out the values of participating in the Congress of Illinois Historical Societies and Museums, and the Society voted to join it on a motion by Eleanor Buerger, seconded by Lonnie Schnaitmann.

The meeting was adjourned at 8:40 p.m. on a motion by Sam Dattilo, seconded by Bob Buerger, and members stayed to enjoy coffee and refreshments provided by Eleanor Buerger and Willie Franta.

The Curator's report was presented by President Schnaitmann, since Tony Altieri had to attend a Village Airport Committee meeting and Sandy was in Florida. He passed around a blue book prepared by the Northeastern Illinois Historical Council, showing the activities of its member organizations, and a list of programs that could be available for presentation at member clubs.

He asked for volunteers to act as hosts and hostesses at the Museum from 1 to 5 p.m. on Sunday afternoons, and stressed the need for more members to become involved. Lorraine Haben suggested that we all try to recruit members to perform this service, bringing it up when we meet them around town. The next special exhibit at the Museum, featuring Palwaukee Airport, will be on display during March and April. The Curator's report was approved on a motion by Bob Buerger, seconded by Marshall Balling.

The Secretary, who also serves as Chairman of the Liaison Committee, reported that he had been authorized to get in touch with its members to see when its next meeting could be scheduled. He pointed out that the Sicks barn might soon become available for use as a carriage house as the Crossroads portion of the Village's TIF program progresses. He asked that members be thinking about ways the Community Church might be used as a Museum when the Park District no longer needs it for Day School activities.

Betty Barrie, Corresponding Secretary, read letters from several residents of Villa Addolorata, including Sister Bridgett, thanking the Society for the Christmas visit of Santa and Mrs. Claus and for the gifts they brought. She also read a letter from Evelyn Diens, a contributor to "Wheeling Through the Years," expressing interest in the forthcoming book.

The President read a letter inviting the Society to participate in planning the Village's celebration of the Bicentenneal of the Constitution. The membership voted to take part, and to authorize the President to appoint representatives to the Village Bicentenneal Committee.

Lonnie Schnaitmann, Lollipop Lane Chairman, presented a condensed version of her report on that activity which appeared in the Dec./Jan. Newsletter. There were 1,800 children who talked with Santa and Mrs. Claus. A highlight was the visit of two classes of Spanish-speaking youngsters from Whitman school, whose eyes opened wide upon entering the decorated Church.

The Pot Luck Supper and Auction will be Wednesday, Feb. 25. The President appointed Willia Franta as Supper Chairman, with Eleanor Buerger and Lorraine Haben as Co-chairmen, and Bob Buerger as Auction Chairman.

There was discussion of the need for a Book Finance Commmittee to plan funding and pricing of "Wheeling Through the Years," which is nearing completion. The President agreed to appoint a committee for this purpose. Members suggested that the book be featured in a Society float for the 4th of July parade, and members voted to enter a float on a motion by Bob Buerger, seconded by Lorraine Haben.

The meeting adjourned at 8:45, followed by refreshments prepared by Lonnie Schnaitmann and Barb McIntyre.

PRESIDENT'S COMMENTS

We had a great turnout for our October meeting. Hopefully we will have even more members at our November 15 meeting. Remember, because of Thanksgiving our meeting will be held a week early. Our Board Meeting will be on November 7, 1989.

Our first workshop at the museum was held on Saturday October 28. We didn't have much of a turnout, but those who were there helped Betty Barrie put in new exhibits and some things were put in the Carriage House. One of our new exhibits is "What Is It"? Go in and check it out. Can you guess all seven items?

Lo and behold, there comes a time when you have to start getting tough. Hopefully the new program I'm putting into effect January 7, 1990 will help all of us. It's sink or swim time or in our case keep it open or close it! Starting at the top of our new membership list - We are asking the Abruscato family to host the museum on January 7, 1990. If for some reason they are unable to do it, it becomes their duty to contact someone on the list below them and exchange their time with them. If it is your turn and you are an individual member but can't make it on your assigned day, you should call the next individual member on the list to exchange days with them. If you are an individual member, bring a friend along. This new program is being implemented so that all our local members take their turn at the museum so that the same people don't have to do all the work. Remember, each one of you are responsible for keeping the museum open. This is an opportunity for those who have been inactive, to become active members. The museum is open from 2:00 P.M. to 4:00 P.M. every Sunday. Betty Barrie will make the first contact with you and then it is your responsibility to work your Sunday or get a replacement. You must also call Betty to let her know your plans.

Remember, our Board Meeting is November 7, at 7:30 P.M. at the museum and our Meeting is Wednesday, November 15 at 7:30 P.M. at the Church in Chamber Park.

Let Frank, Bob or Eleanor know if you want to be Santa or Mrs. Claus. Irene Dattilo will be calling you for cookies soon so ladies start your ovens!

Until November 15th.....

Historically Yours,
Lonnie

REMEMBER: He who helps is rewarded in the end.

CURATOR'S REPORT

I would like to take this opportunity to thank those members who took time to come to the museum and help me change some of the exhibits on Saturday, October 28, 1989. I still need help at the museum on Sundays and if we can get more members to help out we would be able to have the Carriage House open on Sundays too.

Betty Barrie, Curator

MEMBERSHIP REPORT

We now have a roster of 115 members and I am enclosing a copy of our updated membership list. If there are only a few changes or additions, we will list them in our newsletter rather than make up new lists. If you know of anyone who may be interested in joining the Society, please have them drop us a line or invite them to our next meeting. Remember, you can be the best publicity for new members.
