Santa Clause

Santa Clause.

Dear Santa Clause,

For Christmas I would like Doctor Dreadful food lab. I would also like a new pocahontas coloring book if there is one and a package of markers I would also like the game Wild Wolly. I also would like doddle bear and baby born. Thank you for all of the toys that you gave me every Christmas. I forgot I would like a book light.

Merry Christmas!

Love: Kari Stutzman
